How
do we
take her
down?

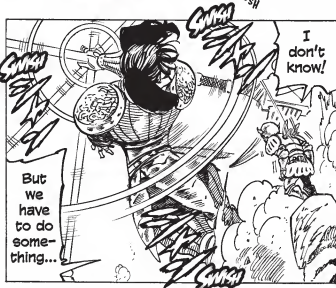

Great.
Just
what we
needed...

That's not
Melascula's
magic...
It's like
she's been
possessed by
the angry souls
of the people
who'd been
slaughtered...

It seems
she's
acting
different
from the
usual
hypnosis or
hysteria.

But
we
have
to do
some-
thing...

I
don't
know!

Harlequin,
forgive me...
This is all
my fault.

It's possible
that physical
attacks and of
course magic
won't work on
all that hate.

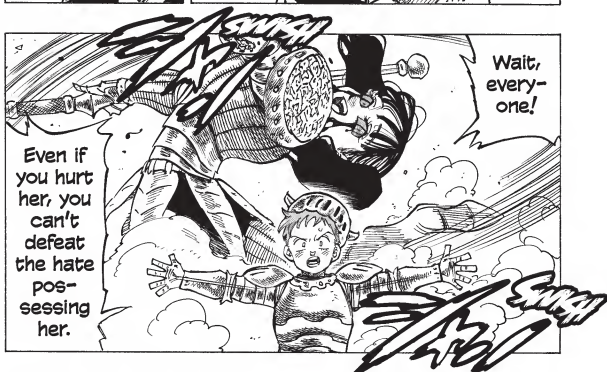

What
do you
mean?!

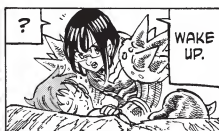

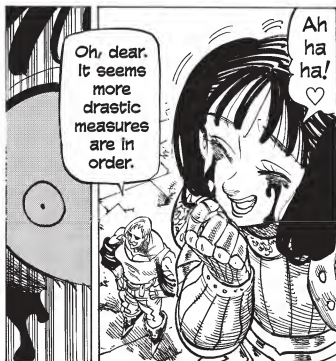

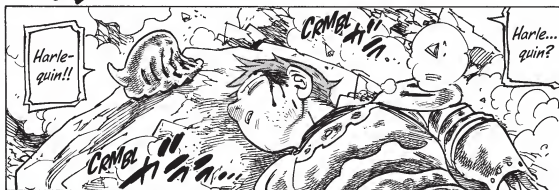

?!
Hel-
bram
?

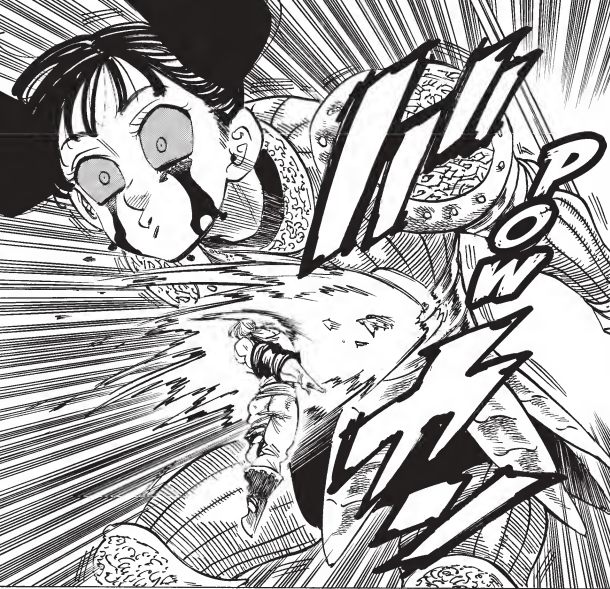

We're supposed to take her out?

In that case, let's talk with our fists until we're both satisfied.

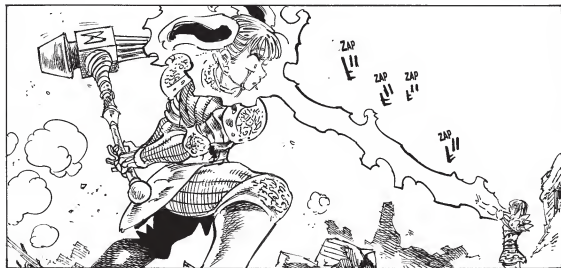

Well, aren't you plucky? You would ignore my kindness...?

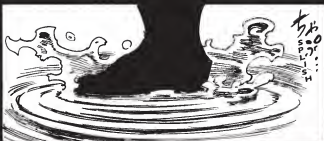

There is no need to harm Diane.

WAIT, ESCANOR. KING IS RIGHT.

DIANE!!
WHERE
ARE YOU?
IT IS ME,
GOWTHER!

KING...
...

PLEASE,
ANSWER
...

YOU MUST
KNOW HOW
WORRIED
KING IS
ABOUT YOU.

DIANE
...

I've...been
a bad girl...
I was on
cloud nine...
to know King
felt the same
way I do
about him.

King...

King...

*I was
prejudiced
and you
were
innocent.*

*And yet
I killed
you all.
I am
Helbram.*

*WHO...
ARE...
YOU...*

*You're
angry
at the
wrong
people.*

*I'm the
one you
should
be
taking
it out
on.*

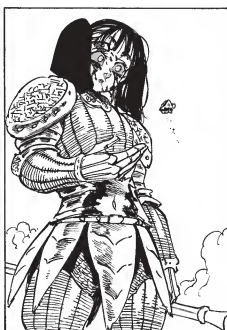

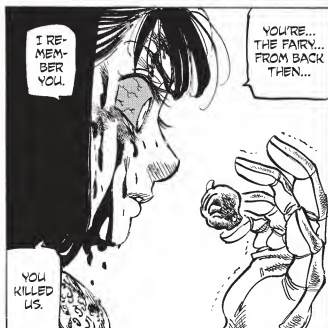

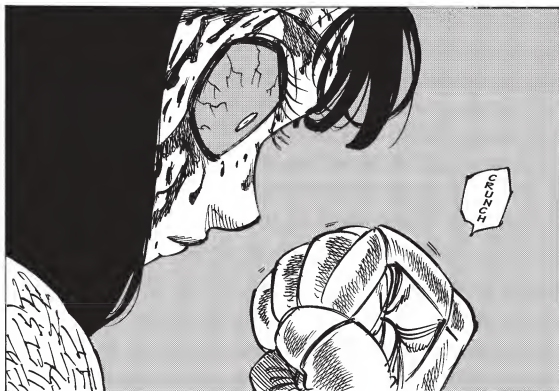

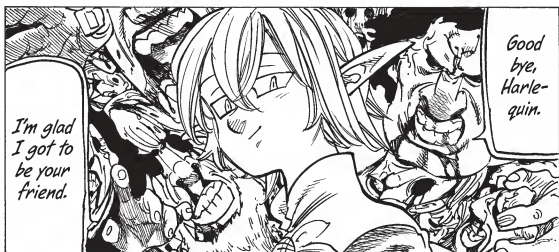

*Helbram
...Where
are
you
going
?*

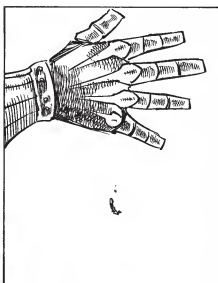

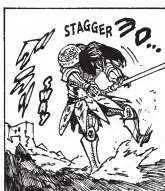

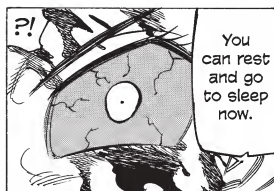

*HE IS
ACTING
STRANGE..*

*What
the
heck's
he
talking
about?*

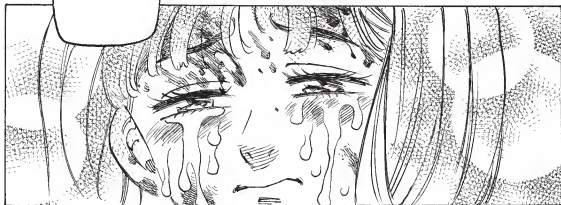

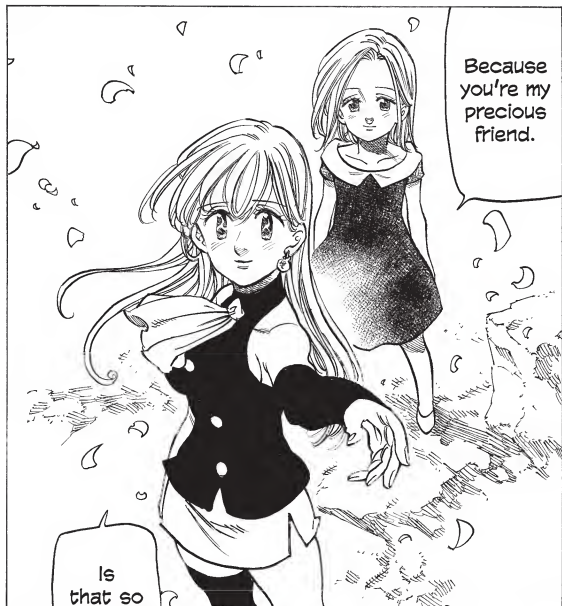

"LET THERE BE LIGHT."
